Everyday utility

Easy architectural silhouettes designed for fluid movement, easy layering, and constant repeat wear. Built for the rhythm of daily life.

NÔRA STUDIO

Quiet essentials made slowly. Focusing on texture, pure materials, and everyday longevity.

NÔRA STUDIO

A quieter way to get dressed.

NÔRA BEGAN IN LISBON.

NÔRA began in Lisbon with a simple question: what makes a garment worth returning to? We believe the answer lies in proportion, material, and the ease of wearing it again tomorrow. Our collections are built slowly around versatile essentials rather than fast seasonal statements.

THE FABRIC

Organic cotton poplin

Crisp enough to hold its shape, soft enough for everyday wear. Our core poplin is woven tightly using long-staple organic cotton fibers, achieving that satisfying cool rustle when handled. Made responsibly in Portugal.

One shirt, three ways

Three colorways for everyday wear.

Mira Shirt / Ivory
A warm, natural neutral.

Mira Shirt / Sage
A muted colour for everyday contrast.

Mira Shirt / Charcoal
A graphic essential for evening and workwear.
